

National Credit Union Administration

§ 714.3

(c) A credit union's eligibility to qualify for a deductible in excess of \$200,000 is determined based on it having assets in excess of \$1 million as reflected in its most recent year-end 5300 call report and, as of that same year-end, qualifying for NCUA's Regulatory Flexibility Program under part 742 of this title as determined by its most recent examination report. A credit union that previously qualified for a deductible in excess of \$200,000, but that subsequently fails to qualify based on its most recent year-end 5300 call report because either its assets have decreased or it no longer meets the net worth requirements of part 742 of this title or fails to meet the CAMEL rating requirements of part 742 of this title as determined by its most recent examination report, must obtain the coverage otherwise required by paragraph (b) of this section within 30 days of filing its year-end call report and must notify the appropriate NCUA regional office in writing of its changed status and confirm that it has obtained the required coverage.
